- ***K-3 - Imagination and Beyond*** This uplifting presentation of magic, comedy, and positive messages captivates children. The show captures their attention and sparks their imagination.

- ***Grade 4-8 - Magic, Comedy and the World***

Around Us Randy has a unique ability to misdirect children's minds while keeping the entire audience focused. Through improvisational magic and demonstrations, students will get a first hand look at how magic tricks "trick".

- ***Family Shows*** - Whether it is family night, a fund-raiser or a fun fair, Randy includes all ages in the show. The magic and comedy show guarantees a great show to be remembered by all.
