

Mango Creek Lodge - World Class Fly Fishing Resort - Bay Islands Honduras

Welcome to Mango Creek Lodge: The newest, most luxurious dedicated salt-water fly fishing resort in the western Caribbean.

Located in the Bay Islands of Honduras, Port Royal is Roatan's most pristine and exclusive bay. It was the site of several 18th century English buccaneer forts and reputed to be Henry Morgan's "treasure" lair. Now it hides treasure of a different sort..huge schools of "silvery-sided" bonefish and "golden-bellied" permit! Fish our mangrove-lined canals and shores for snook, tarpon, jacks and snappers. Due to our isolation and under-utilized flats, you're unlikely to see another fisherman!
